8.8	Gas analysis	82
8.9	Bulk specialty gas systems	82
8.10	References	83

9	Ultrapure Chemicals	84
9.1	Ultrapure chemical guidelines	84
9.2	Chemical supply options	84
9.3	References	86
10	Waste Water Treatment	87
10.1	Waste water contaminants	87
10.2	Definitions	87
10.3	pH neutralization	87
10.4	Particle and metals removal	88
10.5	Waste drain design	91
10.6	References	92
11	Exhaust Abatement	93
11.1	Exhaust abatement technologies	93
11.2	Exhaust system design	96
11.3	Exhaust system materials	99
11.4	Exhaust volumes	99
11.5	Air flow over buildings	99
11.6	References	99
12	Other Utilities	101
12.1	Compressed air	101
12.2	House vacuum	103
12.3	Power distribution	104
12.4	References	105

1.0. Welcome and License

Welcome to the IC Knowledge LLC - Cleanroom Reference Guide. We would like to thank you for choosing IC Knowledge LLC. We believe the Cleanroom Reference Guide you have purchased is the most comprehensive, accurate and up-to-date Cleanroom information available. This guide is designed to be self explanatory, but if you have a question we will answer a reasonable number of e-mails for 12 months after the purchase date. Our e-mail address is info@icknowledge.com. We hope you find our report interesting and that it meets your needs.

1.1. License

IMPORTANT-READ CAREFULLY: This License agreement (“LICENSE”) is a legal agreement between you (“INDIVIDUAL”) and IC Knowledge LLC. By installing, copying or otherwise using the Cleanroom Reference Guide (“REPORT”), you agree to be bound by the terms of this LICENSE.

The REPORT is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The MODEL is licensed, not sold.

1.1.1. DEFINITIONS

- LICENSE - a legal agreement covering the allowable use of the REPORT.
- REPORT - the IC Knowledge LLC - Cleanroom reference Guide comprised of an Adobe Acrobat file containing text, figures and tables.
- INDIVIDUAL - the person that purchases the REPORT and is licensed to use the REPORT.
- COMPANY - a company employing the Individual at the time the Individual purchases the REPORT.

1.1.2. LICENSE: This LICENSE grants the INDIVIDUAL the following rights.

- The INDIVIDUAL may save a single copy of the REPORT on a private local hard drive or private directory on a network hard drive.
- The INDIVIDUAL may make a single copy of the REPORT as may reasonably be required for backup.
- The INDIVIDUAL may make use of the information contained in the REPORT in the preparation of reports and analysis used to further the interests of the COMPANY or INDIVIDUAL.
- The INDIVIDUAL may make limited use of the information contained in the REPORT for the preparation and delivery of presentations provided such information is clearly identified as being copyright IC Knowledge LLC all rights reserved.

1.1.3. LIMITATIONS: The following rights are explicitly excluded.

- The INDIVIDUAL may not at any time save the REPORT on any medium where multiple people have access to the location where the file is stored.
- The INDIVIDUAL may not resell, rent or redistribute the REPORT.
- The INDIVIDUAL may not use the REPORT to provide information for multiple third parties.

1.1.4. COPYRIGHT

All title and copyrights in and to the REPORT (including but not limited to any images, photographs, animations, video, audio, music, text and “applets,” incorporated into the REPORT), any copies of the REPORT, are owned by IC Knowledge LLC. IC Knowledge LLC reserves all rights not specifically granted under this License.

1.1.5. PROPRIETARY DATA

The INDIVIDUAL agrees not to make any attempts to “hack” or guess the password used by IC Knowledge LLC to protect the REPORT from page and or figure extraction and editing.

1.1.6. UPDATES

No updates are anticipated.

1.1.7. ASSIGNMENT

- The INDIVIDUAL may be changed at any time to any employee of the COMPANY by notifying IC Knowledge LLC by e-mail of the change. E-mail notification should be sent to info@icknowledge.com.
- In the event that the COMPANY is acquired by another Company, the acquiring company will become the COMPANY under this agreement once IC Knowledge LLC has been notified by e-mail of the change. E-mail notification should be sent to info@icknowledge.com.

1.1.8. NON-WAIVER

- No failure of IC Knowledge LLC to strictly enforce any term, right or condition of this LICENSE shall be construed as a waiver of such term, right or condition for the purpose of any subsequent occasion or event.

1.1.9. CHOICE OF LAW; JURISDICTION

- This LICENSE shall be interpreted and governed by the laws of the state of Massachusetts.

1.1.10. VALIDITY

- If any term or provision of this LICENSE shall be determined to be invalid or unenforceable under applicable law, such provision shall be deemed severed from this LICENSE, and the remaining provisions of this Agreement shall remain in full force and effect.

1.1.11. TERMINATION

- Without prejudice to any other rights, IC Knowledge LLC may terminate this LICENSE if the INDIVIDUAL fails to comply with the terms and conditions of this LICENSE. In such event, the INDIVIDUAL must destroy all copies of the REPORT.

1.2. About IC Knowledge LLC

IC Knowledge LLC was founded in the year 2000 by a group of wafer fabrication technologists and management specialists. IC Knowledge LLC is dedicated to offering the finest training and reference materials available to the semiconductor industry.

1.3. IC Knowledge LLC products

- Integrated Circuit Cost Model - a Microsoft Excel based cost model that uses dropdown menu selections to generate product costs for most integrated circuit products.
- MEMS Cost Model - a Microsoft Excel based cost model that uses dropdown menu selections to generate product costs for most MEMS products.
- Integrated Circuit Economics - a report covering the economics of the integrated circuit industry.
- Integrated Circuit Packaging - a report covering the packaging market, packaging technology, test, packaging technology trends, packaging foundry selection and pricing.
- Integrated Circuit Technology - an annual report covering the latest in IC technologies.
- 300mm Watch - a database of 300mm fabs and companion analysis.
- A Visual Guide to Semiconductor Process Equipment - a highly visual guide describing the theory, operation and usage of the major types of semiconductor process equipment.
- Cleanroom Reference Guide - this product

1.4. Disclaimer

We believe the information presented in this publication to be accurate and representative of general semiconductor and MEMS industry practices. Much of the information in this report is compiled from technical

Welcome and License

journals and other secondary sources. IC Knowledge LLC does not warranty the accuracy of the information presented in this report in any way. It is up to the user to determine whether the information presented is applicable to the situation the user is interested in.
